

CHANGE

73% of organizations expect big increases in change in the next few years (CEB 2016)

but only **54%** of change efforts are successful (Forbes 2016)

What's the problem? **66%** of success factors are related to talent (CEB 2016)

HOW DO WE CHANGE THE WAY WE DO CHANGE?

OPEN-SOURCE, CO-CREATE, & FACILITATE CHANGE

The co-creation approach uses adaptive change methods AND facilitative leadership techniques to quickly engage your people - across levels and functions - to design and deliver change that sticks. Empower your talent with:

- Knowledge and tools
- Guidance and coaching
- Proven yet flexible processes

Tap the power of your team for fast-acting, long-lasting change that supports your goals.
